

Monthly Board Meeting Minutes for March 27, 2006

Members in Attendance:

Jason Kawaja, President
Jennifer Hawkins, Vice President
Russ Hawkins, Membership Director
Dawn Taylor, Secretary
Dan Stewart, Regional Director

Meeting called to order at 9:09pm.

Jason started out by asking if anyone had any questions on the ONF appeals process. He summed up FL4WDA's actions by stating that the plan has been appealed, cited that there aren't enough play areas, and the closed unless posted open rule isn't going to be effective. The recent meeting with USFS and Carla Boucher left the feeling that the appeal would be denied. We are going to list some areas to concentrate on keeping open.

Jenn suggested a meeting with the club presidents to gather info on what areas we would want to fight for. We are planning to have a brainstorming session to get some opinions from club presidents on where our members would like us to pursue.

Chris Carlotti of Suncoast Flatlanders was nominated and approved to be our new Webmaster. Bill Echols was nominated and approved to be the new S.E. regional director.

Jenn suggested to have regional directors go out and get corporate sponsors for our club. This would mean that the company gets to advertise in our newsletters and website. The companies could also handout our newsletters to their customers. Some companies would like to give our members a discount but require members' personal information.

Dan is going to check into the logistics of running a Public Service Announcement on Television.

Jenn motioned to be reimbursed for expenses incurred while traveling to the Jeeper's Jeep Show. The motion carried and was approved.

Dan and Jenn are working on a press release to send out to keep the public informed on our side of the appeals process.

The meeting was adjourned at 10:24pm.
