

December 5, 2006 Net-Meeting

- Meeting called to order by Jason Kawaja at 9:02pm
- Officers Present:
  - Jason Kawaja, President
  - Jennifer Hawkins, Treasurer
  - Dawn Taylor, Secretary
  - Mike Wren, NW Regional Director-Elect
- Jason motioned to make Mike the Regional Director for North-West Florida. Dawn approved the motion. Mike Wren is now the Regional Director for Northwest Florida.
- Mostly all clubs turned in the GPS coordinates (or Maps) to Jason as requested at the August Presidents Meeting. Thank you!
- Jason and Jenn are scheduled to meet with Rick Lint and Bret Bush on Thursday, December 7<sup>th</sup> at 2pm. This meeting is to present FL4WDA's findings in regards to wanting to keep certain trails accessible and hopefully open to 4x4 folks. We plan to have some sort of obstacles (limestone, logs, etc) to make it interesting. The goal is to have clubs join together in efforts to "adopt" and maintain the trails. Jason is going to do some research prior to the meeting on what type of signage we will use to post at the "trailheads." Stay tuned to the report from that meeting.
- Our annual campout will be held again at Lake Ocklawaha Resort from January 12<sup>th</sup>-14<sup>th</sup>, 2007. Jason will post info on the new website soon. Jenn is working on getting donations for the raffle. Ocala Jeep Club has graciously accepted the position of cooking again this year. Jason will ask Mosquito County if they would like to host the slow crawl again. Clean-up is scheduled for Rodman Pit. For the meeting, we are going to host an informal discussion to tell members what it is we are working on and allow the presidents to step up and have them discuss what is going on in their area.

- The new website looks great. Jason asked if there were any suggestions or things that he left off. A calendar system will be going up soon. The by-laws and a sponsor page will also be going up very shortly.
- Jenn is preparing a letter to go out to Florida Rock in hopes to gain information about a Off-road Park.
- Brian Crane from Treasure Coast expressed an interest to Jenn about becoming more involved (Board member). Jason will seek him out to offer a position.
- Membership Fees: United will probably increase their fees to \$15 for FL4WDA members and \$25 for non-FL4WDA members for 2007. As with last year, there is a \$1000 fee for each statewide 4WDA chapter that doesn't have all clubs paid through FL4WDA. This fee is quite substantial for FL4WDA and we are considering making it mandatory for all clubs to join FL4WDA and United. This discussion will be brought to the attention of the presidents and will be voted upon by or at the campout. For membership to FL4WDA and United, it will be \$20 next year.
- A goal for 2007 for us is to seek out and talk to private land owners concerning places to ride.
- Meeting called to a close at 10:33pm.
